**Re: Chapter 11 Trustee Arlin M. Adams v. Genesis Insurance Company,  
D. Del., Civ. No. 06-364-SLR**

Dear Judge Robinson:

As your Honor is aware, this firm represents defendant, Genesis Insurance Company, in this matter. We are in receipt of the Court's February 13, 2006 Order setting a telephone conference for March 6, 2007 at 8:15 a.m. (D.I. 17) and requiring the parties to proceed with initial disclosures and to submit a discovery plan.

Genesis seeks the Court's guidance with regard to the requirements of that Order. Pending with the Court is Genesis's motion to dismiss or stay this action in favor of prior litigation pending in the United States District Court for the District of Colorado (D.I. 4). Genesis has argued that it does not believe that this action should proceed while the federal court in Colorado is exercising jurisdiction over the parties and issues in this case. Accordingly, Genesis respectfully requests that the ordered discovery and, if the Court is so inclined, the March 6, 2007 telephone conference be deferred until after the Court has an opportunity to decide Genesis's motion to dismiss or stay this case.

We appreciate the Court's consideration of this request for further guidance.

Respectfully submitted,

Carmella P. Keener (DSBA No. 2810)
